My first conference in NISMUN of 2010 provided me with tons of experience. Then I realize that you have to truly understand the subject in order to explain it in front of dozens of other fellow delegates. As I was scrolling down the list of forums and topics, several topics in the General Assembly stood out. They were topics that I read a lot on, including Chinese newspapers, American news channels, and the internet. I have imbibed facts and opinions from perspectives all over the world. I believe that I can stand up to the job and become a better delegate at SUZMUN.
